Calendar of Events

February 15 - No School (Family Day)

February 16 - No School (PD Day)

February 24 - School Council Meeting 7pm

March 9 - Grad Photo Retakes

Just a reminder that masks are a mandatory policy. Don't forget yours at home! Please review the included COVID Checklist and Stay at Home Guide

A Great Way to Stay Informed

If you have not already done so, please contact the school to receive your login information for your students Powerschool Account. It is a great way stay up to date with students attendance, assignments, and comments. You can even email the teachers directly.

Pro Tip: If using you are using the Powerschool APP available from the App or Google Play Store and it isn't updating, try uninstalling and reinstalling on your device. Sometimes the App gets stuck. If you are still having issues, contact us at the office and we will do everything we can to help!

PINK SHIRT DAY

February 24, 2021

Peace River School Division

Learning Together - Success for All

2019- 2020 Yearbooks are now in!

If you prepaid for one last year, you can come and pick it up at the office. If you missed out, don't worry! We do have extra copies to purchase. They are \$50 per book, and can be purchased online through SchoolCash using Visa, Mastercard, or E-cheque.

Online available to the public are some back issues that we have dug out of the vault. We have limited copies (of limited years) going back all the way to 1976! These would make a great gift for any Peace High student or staff Alumni!

If you do not have a current School Cash Account, you can still purchase by using the following link:

Grad 2021 Update

Grad 2021 will be celebrated! We would love to have a formal ceremony on Saturday, June 26th as scheduled, but if we are unable to do so, as per AHS guidelines, there are some celebrations that we will definitely be having:

- A digital celebration of our Graduates. This includes a slide show presentation of Grad photos, baby photos and the Graduates intentions for the future.
- Banners that will be displayed downtown.
- Printed certificates and Grad class composite picture for students
- Cap and 2021 tassel memento for students
- Grad apparel (purchased through Entripy Shop on our school website). We will be having students sign a "21" when they return to in-person classes after Jan 11th. This 21 is uploaded to the Entripy site and students can purchase clothing items with the signed 21 and/or other Grad 2021 logos.
- Grad photos (Lifetouch) Retakes March 9

"Your life journey is about learning to become more of who you are and fulfilling the highest, truest expression of yourself as a human being."

Oprah Winfrey

Lifetouch will be at Peace High on March 9 for Grad Retake Photos. Please sign up for your time online at

<https://prestigeportraits.ca/>

Click on "locate your school", enter your city and province and find your school in the list, select your school and type you first and last name.

Choose the time that suits your schedule and follow the prompts to book it.

There is a \$30 sitting fee to be paid online or at the time of sitting. If you are only getting a photo for our school composite/yearbook, there is no sitting fee required.

Jostens Grad Jewelry

Jostens will not be coming into the school this year with a display. Please click below to order your grad jewelry.

Ring sizer is available at the office so you can order the perfect fit!

COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR CHILDREN UNDER 18)

Overview

This checklist applies for all children, as well as all students who attend kindergarten to Grade 12, including high school students over 18. Children should be screened every day by completing this checklist before going to school, child care or other activities. Children may need a parent or guardian to assist them to complete this screening tool.

Screening Questions

1. Has the child:

(Choose any/all possible exposures)

Traveled outside Canada in the last 14 days? When entering or returning to Alberta from outside Canada, individuals are legally required to quarantine for 14 days unless enrolled in the Alberta COVID-19 International Border Pilot Project	YES	NO
Had close contact with a case of COVID-19 in the last 14 days? Face-to-face contact within 2 metres for 15 minutes or longer, or direct physical contact such as hugging	YES	NO
If the child answered “YES” to any of the above: <ul style="list-style-type: none"> The child is required to quarantine for 14 days from the last day of exposure. <ul style="list-style-type: none"> If the child is participating in the Alberta COVID-19 International Border Pilot Project, they must comply with the program restrictions at all times. If the child develops any symptoms, use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is recommended. 		
If the child answered “NO” to both of the above: <ul style="list-style-type: none"> Proceed to question 2. 		

2. Does the child have any new onset (or worsening) of the following core symptoms:

Fever Temperature of 38 degrees Celsius or higher	YES	NO
Cough Continuous, more than usual, not related to other known causes or conditions such as asthma	YES	NO
Shortness of breath Continuous, out of breath, unable to breathe deeply, not related to other known causes or conditions such as asthma	YES	NO
Loss of sense of smell or taste Not related to other known causes or conditions like allergies or neurological disorders	YES	NO
If the child answered “YES” to any symptom in question 2: <ul style="list-style-type: none"> The child is to isolate for 10 days from onset of symptoms. Use the AHS Online Assessment Tool or call Health Link 811 to arrange for testing and to receive additional information on isolation. 		
If the child answered “NO” to all of the symptoms in question 2: <ul style="list-style-type: none"> Proceed to question 3. 		

3. Does the child have any new onset (or worsening) of the following other symptoms:

Chills Without fever, not related to being outside in cold weather	YES	NO
Sore throat/painful swallowing Not related to other known causes/conditions, such as seasonal allergies or reflux	YES	NO
Runny nose/congestion Not related to other known causes/conditions, such as seasonal allergies or being outside in cold weather	YES	NO
Feeling unwell/fatigued Lack of energy, poor feeding in infants, not related to other known causes or conditions, such as depression, insomnia, thyroid dysfunction or sudden injury	YES	NO
Nausea, vomiting and/or diarrhea Not related to other known causes or conditions, such as anxiety, medication or irritable bowel syndrome	YES	NO
Unexplained loss of appetite Not related to other known causes or conditions, such as anxiety or medication	YES	NO
Muscle/joint aches Not related to other known causes or conditions, such as arthritis or injury	YES	NO
Headache Not related to other known causes or conditions, such as tension-type headaches or chronic migraines	YES	NO
Conjunctivitis (commonly known as pink eye)	YES	NO

If the child answered “YES” to ONE symptom in question 3:

- Keep your child home and monitor for 24 hours.
- If their symptom is **improving** after 24 hours, they can return to school and activities when they feel well enough to go. Testing is not necessary.
- If the symptom **does not improve or worsens** after 24 hours (or if additional symptoms emerge), use the [AHS Online Assessment Tool](#) or call Health Link 811 to check if testing is recommended.

If the child answered “YES” to TWO OR MORE symptoms in question 3:

- Keep your child home.
- Use the [AHS Online Assessment Tool](#) or call Health Link 811 to determine if testing is recommended.
- Your child can return to school and activities once their symptoms go away as long as it has been at least 24 hours since their symptoms started.

If the child answered “NO” to all questions:

Please note: Your child may attend school, child care and/or other activities, do not bring them to visit a continuing care or acute care facility for 10 days from when symptoms started/until symptoms resolve (whichever is longer), unless they receive a negative COVID-19 test result and feel better.

PEACE RIVER SCHOOL DIVISION

STAY AT HOME GUIDE

It's confusing. When should I keep my child home?

This information applies for all children, as well as all students who attend kindergarten to Grade 12, including high school students over 18. Children should be screened every day by completing the Alberta Health Daily Checklist (for children under 18) before going to school, child care or other activities. Children may need a parent or guardian to assist them to complete the screening tool.

My child traveled outside of Canada, now what?

When entering or returning to Alberta from outside Canada, individuals are legally required to quarantine for 14 days unless enrolled in the Alberta COVID-19 International Border Pilot Project. If the child is participating in the Alberta COVID-19 International Border Pilot Project, they must comply with the program restrictions at all times.

My child had close contact with a case of COVID-19 in the last 14 days, how do I respond?

Close contact is face-to-face contact within 2 metres for 15 minutes or longer, or direct physical contact such as hugging. If your child had close contact with a case of COVID-19 in the last 14 days, your child is required to quarantine for 14 days from the last day of exposure. If your child develops symptoms, use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is recommended.

My child is sick. How long do they need to stay home for?

Core Covid-19 Symptoms

- Fever (above 38C or 100.4 F)
- Cough (new or worsening chronic cough)
- Shortness of breath or difficulty breathing (new or worsening)
- Loss of smell or taste (not related to other known causes or conditions like allergies or neurological disorders)

If your child has one of the **core COVID symptoms**, they are required to isolate for 10 days from when their symptoms started. Use the AHS Online Assessment Tool or call Health Link 811 to arrange for testing and to receive additional information on isolation.

If your child does not have any of the core COVID symptoms, proceed to the "other symptoms" information below.

This is my child. Now what?

Other Symptoms

- Chills
- Painful swallowing
- Runny nose/congestion
- Headache
- Muscle or joint aches
- Feeling unwell, fatigue or severe exhaustion
- Nausea, vomiting or diarrhea
- Unexplained loss of appetite
- Conjunctivitis (pink eye)

If your child has one of the **other symptoms**, keep your child home and monitor for 24 hours. If their symptom is improving after 24 hours, they can return to school and activities when they feel well enough to go. Testing is not necessary. If the symptom does not improve or worsens after 24 hours (or if additional symptoms emerge), use the AHS Online Assessment Tool or call Health Link 811 to check if testing is recommended. **If your child has TWO OR MORE of the other symptoms**, keep your child home. Use the AHS Online Assessment Tool or call Health Link 811 to determine if testing is required. Your child can return to school and activities once their symptoms go away as long as it has been at least 24 hours since their symptoms started.

This is my child. Now what?

Information for the creation of this document was taken from the updated COVID-19 Alberta Health Daily Checklist (for Children Under 18) Adapted from Prairie Rose School Division and Grande Prairie Public School Division. UPDATED NOVEMBER 2, 2020

Hot Lunch at Peace High

Monday	Kita North 	Low Mein Noodles (Veggie), Chicken Fried Rice, Chicken balls OR California Rolls

Superintendent's Message

Celebrating Pink Shirt Day 2021 and Safe and Caring Learning Environments

At Peace River School Division (PRSD) we pride ourselves in our ability to create and foster safe and caring learning environments. There are many people who play a role in this process and I would like to take this opportunity to celebrate their efforts and thank all the students, staff, parents, local partners, and community members who contribute to creating a culture of kindness and respect in our schools. We share in the success of our work in this regard with our school communities as our latest survey results show that 90.8% of our students, staff, and parents feel that PRSD schools provide safe and caring learning environments for students, and our result exceeds the provincial average.

Pink Shirt Day is one day per year where we wear pink in a united stand to support healthy relationships, wellness and diversity. However, the work we do in this regard is on-going through various programs, initiatives and presentations focused on healthy relationships and personal well-being. Examples of such programs and initiatives include the work of our school based Youth Education Support Workers, Success Coaches, student leadership groups, mentorship programs, behaviour support programs, wellness programs, the focus on citizenship division-wide, daily learning incorporated into the curriculum and the important support that comes from community involvement and various agencies.

Providing safe and caring learning environments for students is very important to us. We understand that in order for students to learn, flourish and reach their full potential, they need to feel safe, happy and cared for in a positive learning environment.

Thank you so much for your involvement and support and we invite you to join us on February 24, 2021 for Pink Shirt Day when PRSD students and staff will wear pink in support of healthy relationships, wellness, and diversity.

Paul Bennett
Superintendent of Schools
Peace River School Division No. 10

Safety Message – Ice Safety

March is a time to look forward to warmer temperatures, melting snow, and longer days. The transition from winter to spring begins the transformation of frozen rivers, ponds, creeks and dug outs to bodies of open water. Many of our PRSD schools are located close to water sources and during this time ice can become unstable and extremely dangerous.

Please take a few minutes and talk to your children about ice safety and the dangers associated with being on rivers, ponds, creeks and dug outs during this time of the year.

If you do fall through the ice your first danger is drowning, not the cold. You will have time to save yourself so don't panic or thrash about. Tread water or grab the ice to keep your head above water. Keep your hands and arms on the ice and kick your feet until you are in a horizontal position. Once you are horizontal keep kicking your feet and pull with your hands and arms and pull yourself out of the water. Once clear of the water continue to pull yourself away from the hole in the ice. You need to keep your weight spread so don't stand to move away from the hole. You can slide pull or roll away. Once clear of any danger you need to get to a place to warm up and remove any wet clothing.

For more information about knowing the dangers of ice please follow the attached link provided by the Canadian Red Cross.
