

November 10, 2022

There will be NO SCHOOL on Friday, Nov. 11 in honour of Remembrance Day. Please take a moment to remember those that have and continue to fight for our freedoms.

Our students are busy writing mid-terms this week, which means, **REPORT CARDS WILL BE AVAILABLE ON Nov. 18. Our next PTIs will be Nov. 23. Please watch for further details next week to book online. PowerSchool will be locked so that teachers can get your student's marks in. Once they are unlocked again, you may have to delete and reload your app if you have troubles logging in again.**

Please check your PowerSchool for missing assignments.

For any students who are interested in Work Experience, RAP, or the Green Certificate, please see Mrs. McLeod.

FREE BREAKFAST SANDWICHES from Reddi Mart are available EVERY Tuesday morning for our students. Please encourage your student to come to the SGA and enjoy a sandwich with friends before class. Breakfast is served from 8:30 am – 8:50 am.

The First Baptist Church will be providing FREE lunches at the church every Tuesday.

Student schedules are now available on PowerSchool 😊

If you are having trouble viewing on the APP, you may need to delete the app and reinstall using the same username and password to gain this year's information. Any changes to schedule will be able to be done the first week at school.

Parent Portal Access – Please!

If you have not already signed up for your Parent Portal Account, please sign up to use the PowerSchool Parent Portal and have instant access to your child's assignment and test marks, attendance, report card history, and more! Sign up by clicking the waffle button (square button with 9 boxes inside) on the top right-hand side of the Peace River School Division website, or any of our school websites, and choose "PowerSchool Student and Parent Portal" <https://prsd.powerschool.com/public/>

School Cash Accounts

If there are any fees for your child, such as extra curricular, Yearbook, damaged or lost school textbooks, they will appear on your child's account. Please take the time to set up your School Cash account and make any outstanding fee payments. You will find the easy sign-up on the Peace River School Division's website, the waffle buttons on the upper right-hand corner and selecting School Cash Online Payments. This will also be used to order hot lunches once the program has been organized (possibly by early October).

A Note on SUCCESS

Students have SUCCESS classes that run from 10:12-10:59 each day. Each day has different options available.

Mondays are mandatory for all students to attend their homeroom teachers' class for either Health 9, Learning Strategies, or Grade 12 preparation courses.

Tuesday through Thursday, different options might be available to the students for tutoring or catch up, or their teachers might 'lock' them in for a mandatory class or for extra help. For those students that are all caught up, open rooms are available (sometimes even the gym!).

However, it is not a spare block. Students are expected to sign-in to a room or will be marked unexcused absent. This will mean an automated phone call at the end of the day unless the parent has called to excuse.

Technology

Please return any Chromebooks or other technology that belongs to the school as soon as possible. They are locked and therefore useless to you at home.

Please remember that all Chromebooks need to be returned at the end of class, they should not be going home or stored in lockers.

The Poppy Project

POPPY PROJECT

The Peace River Rotaract is proud to present our Poppy Project at the Mount Pleasant Cemetery in Peace River to acknowledge the 101st Anniversary of the Poppy.

Every November Canadians wear the poppy to show their appreciation for the men and women who served and will become the quip of our nation for the rest of Canada's history. It was in 1918 that Canada had a national day. The day was set for November 11th, 1918, the day that the armistice was signed. The day was set for November 11th, 1918, the day that the armistice was signed. The day was set for November 11th, 1918, the day that the armistice was signed.

PROJECT DETAILS:

For the week of November 6-11th, we want to honor our veterans and their families. The way we do this is by displaying the poppy.

- Install Canadian Flags at each of the graves of our local veterans resting in the Mount Pleasant Cemetery in Peace River.
- Place a white cross adorned with a poppy at each grave of our local veterans.
- Display Poppies on the fence as a gesture of remembrance and salutations for those that have served.

We hope to see you at the poppy event. It is a great way to remember our local veterans who served with honor.

Peace High students contributed 50 unique poppies to the Rotaract Community Poppy Project. These will be wired on to the fence of Mount Pleasant Cemetery in Peace River between November 6 and 12.

Thank you to Ms. Sonia Huang, our student teacher!!

Sonia Huang is a University of Alberta student teacher working with Ms. Plaizier from October to December. She is a former Peace High student. Here Sonia poses with two current students, Autumn Berry-Smith and Maya Swartz in front of the mural she created in 2016.

Thank you to Mr. Long for helping in our Industrial Arts class. The students are learning lots of carpentry skills.

Also, please take this opportunity to register your phone to receive important messages via text using the attached instructions

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.*

You can participate in this free service* just by sending a text message of “Y” or “Yes” to our school’s short code number, **724665**.

You can also opt out of these messages at any time by simply replying to one of our messages with “**Stop**”.

SchoolMessenger is compliant with the Student Privacy Pledge™, so you can rest assured that your information is safe and will never be given or sold to anyone.

i Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/tm for more info.
